

- Feed Screws - Tool Steel To General
- Barrels - Tool Steel Lined & Bimetallic
- Tip Assembly/Shut-Off Valves - Veloci-T™
- End Caps - New & Replacement Inserts
- Nozzle Bodies, Adaptors & Tips
- Tie Bar Repair & Replacement
- New, Rebuild & Reline Options
- Custom Upsize / Downsize Units
- Stocking Programs Available
- Custom Screw Designs & Mixers
- Training Seminars
- On-Site Measuring Service
- FREE Component Inspections
- Made In The USA

- Bi-Cutter Screenless Granulators
- Compact Design Allows Press Side Location
- Lower Horsepower Conserves Energy
- Ideal For Hard Nylons To Soft TPE Resins
- Clean Regrind = Quality Parts
- Dust & Fines Removal Systems
- Removes Dust, Powder & Fines
- In-House Tech Support
- Replacement Parts Available
- Made In The USA

- Belt Conveyors (Inline, Under Press, Inclined)
- Size Reduction Feed/Unload
- General Purpose Belt & Roller
- Part & Runner Separators
- Carton & Tote Filling Stations
- Metal Detector Conveyors
- Replacement Parts Available
- Made In The USA

- High Pressure Media Blasting Cabinets
- Eliminates Dangerous Fumes
- Non-Abrasive / Non-Damaging Media
- Reduce Press / Cleaning Downtime
- Environmentally Friendly Cleaning
- Replacement Parts & Components
- Replacement Media
- Deflashing & Stripping Systems
- Invoiced Via Concor
- Made In The USA

- Purge Compounds & Release Agents
- Injection, Extrusion & Blow Molding
- High Temp to General Formulations
- Mechanical, Chemical & Hybrid Formulas
- Ready-To-Use Convenience
- Low Consumption = Low Cost Per Purge
- Safe For Hot Runners & Hot Tips
- Best Selling High Temp Formula
- Can Be Recycled Or Blended
- Non-Abrasive Technology
- NSF Registered
- Reduce Changeover Time & Cost
- Safe - Low Smoke, Low Odor
- Made In The USA & Europe

- Band Heaters – Mica To Ceramic
- Cartridge Heaters – Hi & Low Density
- Extruder Heating & Cooling Systems
- Temperature Sensors & Thermocouples
- **Insulation Blankets**
- Insulate Barrels, Dies & Dryer Hoses
- Maximize Employee & Facility Safety
- Reduce Energy Costs 30% +
- Quick Return On Investment
- Pressure Sensors - Transducers
- Cast-In Heaters – Air & Liquid
- Stocking Programs Available
- Training Seminars – Lunch & Learns
- Custom Size Capabilities
- Reduce Facility Ambient Temps
- Easy Installation & Removal
- Made In The USA

- Dial Bore Gauges & Kits
- Extension Rods Up To 1000mm
- ID's From .7" To 6" (18mm - 150mm)
- Replacement Parts Available
- Invoiced Via Concor
- Made In Japan

- Wear Measurement Micrometers
- Accurate, Quick & Easy To Use
- OD's 1" To 6"
- Quoted & Invoiced Via SEDLOCK
